

Hood Cleaning Technician

Overview

We are looking for hood cleaning technicians with little to no previous experience. We are a fast-growing company if you are searching for a career that will provide the training to learn a trade and gain the certifications and experience needed to be one of the top in this field. We are focused on integrity, excellence, and service for our customers where we try to provide a product and service that leaves our customers feeling safe and reassured that their business is covered in the worst-case scenario.

Peach State Fire is looking to hire and train a hood cleaning technician. There are part-time and full-time positions available, with flexible hours. No experience required; on-the-job training will be provided. However, previous mechanical, electrical, HVAC, pressure washing, janitorial cleaning, or kitchen exhaust hood cleaning experience is a plus. This is primarily night work on Monday through Thursday nights with hours that vary.
